

Community Enhancement Collaboration, Inc., (CEC)

Dear Community Partner,

Community Enhancement Collaboration would like to invite you to be a sponsor of one or more of our yearly events. We have enclosed several sponsorship packages which you can choose from. CEC not only provides food distribution, but we also serve as a neighborhood “hub” that hosts community events such as weekly food distributions, mobile fresh pantry on the road, Holiday food market, Thanksgiving and Christmas along with special events that include Back to School giveaways and Baby Shower events for the underserved.

We’re more than a food pantry: CEC leads efforts to address public health and safety issues and has been able to enhance access to financial assistance, nutritious food, baby items, computers in the household, food pantry based on client preferences, child safety car seats, homebound food delivery, food drive via extensive distribution, job training, and placement of volunteers and seniors, bike initiatives, back-to-school supplies, disaster/hunger relief, blankets for the homeless, adopt-a-house, partner scholarships, basic computer training for seniors, volunteer give back program, dog/cat food, clothing, toys, food, turkey drives, and holiday meals, among others. CEC leaves no stone unturned in ensuring the safety and wellbeing of our community.

Community Enhancement Collaboration (CEC) has embraced diversity, equity, and inclusion (DEI) throughout its 18-year history. It’s Founder and President is an African American woman who has 40 years of experience as a community activist who understands the importance of providing an inclusive, celebratory, and equitable organization. Why do we live, work, and play in this neighborhood, because we have seen families in southern Broward County struggling with food insecurity? We have seen local senior citizens dealing with social isolation due to the fear of leaving their home due to the COVID pandemic. We have witnessed persons with special needs facing many challenges in obtaining jobs and social services. As a result, CEC has continually embraced inclusivity in all its day-today programming and special events.

Community Enhancement Collaboration has social media followers and a mailing list of over 10,000 clients and local supporters – by taking part, our supporters will know that you’re joining us in our mission to enhance the quality of life in Washington Park and the surrounding communities by advancing mission to help strengthening the economic, health, civic, and social interests while improving community pride and promoting the active participation of all citizens. There are a variety of ways to be featured in promotions materials.

We’d like to work with you on a sponsorship package based on your budget and marketing needs and desire to make an impact. Please feel free to call Marika Guyton at 954.549.8602, or email at ceccollaboration@gmail.com with any questions you may have.

We hope you will join us as A Partner in the Community at one or more of our weekly or yearly events.

Sincerely,

Nadine McCrea, Founder/President
