

Dear Neighborhood Partner,

Community Enhancement Collaboration, Inc. (CEC), is a nonprofit organization whose mission is to enhance the quality of life in Washington Park, Hollywood, FL, and surrounding areas. CEC promotes health, civic, and social interests that foster community pride and encourage resident participation in activities designed to help each other. As a grassroots organization CEC strives to alleviate the negative impacts of apathy and in accessible services for the vulnerable populations of South Broward and beyond.

Due to the COVID-19 pandemic, CEC is adapting as we adjust our community activities to incorporate social distancing to CDC regulations. As a result, our annual community events which are the cornerstone of our outreach calendar attracting large audiences are being canceled. Even with the reduced larger events, CEC remains active hosting the following weekly programs:

- Senior Feeding – Tuesday's, 12 PM – 2 PM
- Client Choice Food Pantry – Wednesday's, 12 PM – 2 PM
- Mobile Food Pantry – Friday's, 12 PM – 2 PM

CEC projects, programs, and events are valued contributors to urgent intervention initiatives providing care opportunities to "At-Risk" members of our community. Contributing to programs that develop the mind, body, and soul. CEC outreach creates positive interactions that support individuals today while building a foundation for future success.

We invite you to join us and become a 2020 Community Partner in collaboration with the Washington Park Homeowners Association who have been partnering with the CEC since 1982. In 2004 CEC gained non-profit status in recognition of our successful efforts delivering information, resources, health screenings, and food to those in need. We could not continue to provide these services without Community Partnership sponsorships. Never have the community Partners (individuals, businesses, and organizations) been more important as we continue to host our weekly food distribution programs.

Times are tight and while many of us are fortunate to have what we need so many do not and we expect the holidays to be even harder on seniors and families. In addition to our current weekly food distribution programs, CEC will be hosting:

- Annual Holiday Food Distribution, Saturday, November 21st, 2020
11 AM – 2 PM, Washington Park Community Center, Hollywood

We invite you to join us as a sponsor supporting our Holiday Food Distribution and weekly programs (noted above). Your tax-deductible financial support goes a long way lending a helping hand to homeless people, veterans, children, seniors, and families in our communities. Throughout the year, CEC programs are part of a network serving over 10,000 people in our local communities.

CEC offers a wide range of sponsorship opportunities enabling you to assist on a level that fits into your budget. Custom sponsorship packages can be developed to fulfill specific needs or requirements. To become a Community Partner and sponsor CEC programs, complete the enclosed sponsorship form return via fax 954.987.8625 or e-mail ceccollaboration@gmail.com and become part of the CEC Partnership Wave.

If you have any questions and/or concerns we can be reached at 954.549.8602 or via e-mail ceccollaboration@gmail.com.

Thank you in advance for your consideration.

Marika Guyton
